

Are you looking for reliable, hardworking employees?

Are you an employer who would like:

- to save on training costs
- to reduce staff turn-over
- to save on your bottom line
- to have pre-screened applicants

Do you want an employee who:

- is loyal, dedicated, punctual and reliable to the job every day
- allows your company to show it values diversity and community spirit
- will work hard, follow directions and take pride in a job well done

Benefits of hiring an employee with diversabilities:

- increased productivity, saves time and money
- company standards met
- increased retention of employees
- enthusiastic ambassadors of your company
- to show community inclusion

How can I save on training costs?

- A wage subsidy is available for eligible candidates where wages are reimbursed up to 100% for up to 6 months

Did you know...?

People with disabilities have:

- the highest attendance rates among employees
- 80% lower turnover rate
- average or better safety records on and off the job
